

Stay at home if you have (mild) cold-like symptoms.

Avoid crowds.

Recreational scuba diving and diver training are allowed.
Follow covid-19 measurements.

Keep a distance of 1,5 metres from other people,
except under water.

Use your own (personal) dive gear as much as possible.
Clean and disinfect your gear after the dive.

The local municipality or the owner of the dive site
decides on access to the location and the parking policy.
Make sure you keep your distance at all times.

Dive only with your buddy.

Leave the dive site immediately
after your dive.

Most of the public facilities,
such as dressing rooms and
toilets, are closed.
